

IMSE

YOUR PROBLEMS ARE OUR CONCERN

ABC

SPARE PARTS SUITABLE FOR:

DIESEL ENGINE TYPE (DX) & (DZ)

ABC Diesel (Anglo Belgian Corporation) has been a diesel engine manufacturer since 1912 located in Ghent, Belgium.

The company has a reputation to build robust and simple engines, with low fuel and lubrication oil consumption, long lifetime and requires minimum maintenance.

With our head office in Belgium, IMSE can be your preferred foothold in obtaining spare parts suitable for ABC engines.

IMSE can offer you the choice between genuine parts, OEM alternatives as well as new or reconditioned parts, all available from stock or within short term notice.
