## VT VALVES

VT VALVES

CORE PRODUCTS:  
**IN/EXH VALVES, IN/EXH SEATS,  
GUIDES & ROTOCAPS**

With a history of over 25 years in valve manufacturing, VT Valves (formerly known as Valves Technics Ltd) was a leading OEM supplier of Wärtsilä, Deutz, Perkins, MAN, Mirrlees Blackstone, and many others.

IMSE registered the brand VT in 2016, and supplies worldwide valves, seats, guides & rotocaps at competitive prices. All parts are based on original VT drawings and are given the highest priority on quality by VT Valves all along the production process which guarantees a high top quality product.
