

IMSE

YOUR PROBLEMS ARE OUR CONCERN

COMPRESSORS & PUMPS SPARES

IMSE can offer attractive prices and delivery time on most parts suitable for the following pumps and compressors:

Atlas Copco, Hatlapa, Sperre, Tanabe, JP Sauer & Sohn, Yanmar, Tamrotor, Allweiler, IMO, Taiko Kikai, Teikoku, Iron, Nirex (Alfa Laval)

IMSE is a preferred partner of ATLAS COPCO and therefore in the position to offer attractive prices for ATLAS COPCO compressors. Although ATLAS COPCO is a Swedish brand, they have their biggest production unit in Antwerp, Belgium. The facility is only a stone throw away from IMSE premises. All ATLAS COPCO units supplied come with full factory guarantee!

In 2008, IMSE has also been appointed by ALLWEILER Pumps Benelux as one of their preferred channels for providing genuine ALLWEILER replacement pumps, spares and service. With the support of ALLWEILER, IMSE is able to provide a complete package of technical assistance and spares worldwide.
